Feel the black pain in your head  
While I'm blatin'you down

Don't be liar  
Don't be wrong  
She's the one

Turn your head back and see  
the shadow of death

Don't be liar  
Don't be wrong  
She's the one

Your blood burns after the war  
It seems like an elegy lake

Don't be liar  
Don't be wrong  
She's the one

It seems like fear but  
We wanna live in the dark  
Shadow of pain, beatin'the land

It seems like fear but  
We wana live in the dark (side)
