Late at night you call on a phone
We talk about the day, when you found out he was
cheating
You tell me that it hurts to the bone
To trust someone that way,
To find that he was deceiving,
And I know I've always just been your friend,
But if you look my way I'll make sure you'll never hurt
again

Chorus

Do you know I exist, just to promise you this,
Endlessly to be true to you
And if you answer my prayer
I'd cross my heart and I'd swear
Endlessly to be true to you
And if you'd only see,
How beautiful you and I would be....endlessly

Ooh oh yeah

I remember when you fell in love,
I could not believe... that it was not with me
I sent a secret prayer up above,
And put my heart away,
So that you could be free,
And I know right now you're broken in two,
But did you know that my heart's been broken since the
day I met you

Chorus

Do you know I exist, just to promise you this,
Endlessly to be true to you
And if you answer my prayer
I'd cross my heart and I'd swear
Endlessly to be true to you

And in my sweetest dream,
You'd learn to put your faith in me...endlessly

Sometimes the thing you need
Is the one thing you can't see
If you put your faith in me...
How beautiful you and I would be

Chorus

Do you know I exist, just to promise you this,
Endlessly to be true to you
And if you answer my prayer
I'd cross my heart and I'd swear
Endlessly to be true to you
And if you'd only see,
How beautiful you and I would be...endlessly
