Eyes Closed So Tight

Yeah...it's been so long(oh)
I find myself still thinkin' about you.
Do you ever think about me?(ever think about me)
Check this out girl

All those nights that we kissed
Are the nights that I miss
Holding hands as your man for sure
We were young but secure
What we had was so pure
Innocence ever since we spoke

[Hook:]
Why do we fall in love
When love will only tear us apart
Back then world was ours
Everything was so right(yeah)

[Chorus:]
But we were kissing with our eyes closed so tight
So young and feeling so right
Never thought that we could do wrong
Oh we were kissing with our eyes closed so tight
So young and feeling so right
I can't believe that those days are gone(Yeah,I miss
you baby)

So much pride as my girl
Thought I showed you the world
Memories,you and me,so real(so real)
Gave my heart and my soul
Made you sunshine from cold
All those days,far away from here

[Repeat Hook]
[Repeat Chorus]

I still think about you,hear me out...
We danced so close, we held on tight(yeah)
I never knew that love could feel so right

We danced so slow, we danced all night(aah)
Assuming that tomorrow would be bright
We kissed goodnight, you walked on by
The vision of your shadow caught my eye
My life stood still, you went inside
I never got the chance to say my last goodbye (say
goodbye)

[Repeat Chorus x2]

I still can't believe it(no no)
After all this time(all this time)
I'm still missing you
Damn, some things will never change...
