[VERSE1:]

She kinda think in the lips & hips (uh-huh)  
She kinda cool when she hits the strip (uh-huh)  
She gonna go where she wanna go, know who she  
wanna know  
Never wait in line, always sittin' in the front row  
She kinda wild when she's wildin' out (uh-huh)  
She kinda freaky when she's at the house (uh-huh)  
She gonna shake what her mama gave, turn her head  
the other way  
Be the type of girl to teach a playa how to play the  
game

[B-SECTION:]

She's the kinda girl that's dangerous  
Livin' her life so scandalous  
"Hypnotize" you like B.I.G., when she's on the floor  
Got you feelin' like Busta, "Give Me Some More"...oh  
I know, you know, I know...not Black Rob, but a body like  
"WHOA!"  
Off the chain, mami's hot 4 sho'  
And I know she "gets around" like Tupac Shakur

[HOOK:]

She's a hottie with a bod-ay...  
And she knows how to part-ay...  
All the fellaz wanna jock cuz that figure don't stop  
"Gotta-Get-Her" home with me... [2X]

[VERSE2:]

She got me thinkin' how to catch her eye (uh-huh)  
She got me feenin' like my first time (uh-huh)  
I'm doin' thangs that I never do, look at what I'm  
goin' thru  
Spot her in the crowd, got me messin' up a step or  
two  
She got me lookin' at her hour glass (uh-huh)  
She got me turnin' just to watch her pass (uh-huh)  
I wanna get shorty all alone, disconnect the telephone  
Turn the lights down, never stop until I hear her moan

[HOOK]

[BRIDGE:]

Same thang, different night...girl here we go again  
Your body is incredible, do you have a friend  
For my mans and them, if they feelin' kinda freaky  
Makin' plans with them....gotta man, keep it sneaky  
On the low, hush hush...no-body gotta know  
Knock, knock, who's there...girl tell me what the dillio  
It's silly yo, the way you work them curves  
V-i-3, here to please & serve!
