Oh, hear my pray

One single sign

Will stop my pain

Will keep my life

Oh, hear my pray

Show me your might

One misery

Will bright the dark

Laying on the flour

Waiting for bright

Waiting for hope

I pray...

From the darkest night

Hear my tears

Hear my breath

I pray...

Waiting for new strenght

Hoping for the light

Beging for beginning

Give me a sign

Angel came down

And gave me the light
