Grant them eternal rest  
And let perpetual light  
Shine upon them  
Thou shalt have prise  
To thee let the vow be paid  
Heed my prayer  
All mankind must come  
Before thy Judgement- seat  
Grant them eternal rest  
And let perpetual light  
Shine upon them  
Have mercy  
On that day of tearful wonder  
When the tomb is rent asunder  
Guilty man to doom shall waken  
Leave him not forsaken

Rise of resurrection

Life and death will stay accorded  
Shame and grief my soul oppressing  
Doom shall pass with deed accounted  
Hear me Lord, my sins confessing

Hear the trumped-blast resounding  
Through all tombs rebounding earth  
Spare my soul that day's perdition  
Summons of the Judgement sounding

When the heavy malediction  
Smites the damned with affliction of hell  
Call me to thy benediction  
Crushed to dust,  
Isupliant bending

Crave thy care when life is ending  
To what friend for succor flying  
When the justin fear are sighing
