We woke up in Hollywood
The sun was shining like it should
When we woke up in Hollywood

Hustler man, you got us good
When Norma Jean was on the hood
And we woke up in Hollywood

And the world pulls the shade
On the red, white, and gray

Wake Up America
America

Jesus was the least of these
But we're so scared of your disease
When we woke up in Hollywood

We were marching in the streets
Yeah, Hippie Lovers LSD
When we woke up in Hollywood
And love saves the day
For the red, white, and gray

Wake Up America
America

Yeah, shout it from the rooftops
Tell it like it is now you don't stop
It's like the days of confusion
Cause we all dealin' with the war of
intrusion
Good the bad, right the wrong
Don't give it up till you come out strong
We gotta do it now
Cause now it's the time

Don't sleep on your bed. Don't
sleep in your head
Don't sleep in the streets
Don't sleep
We need you, need you
