I just hung up a picture of you
Here on my dead end wall
Seems like there's no where else to go
So I just make myself at home
Think I'll set up a phone line
Wonder if you will call
And if I scream will anyone hear me?
Outside of this dead end wall

If I scream will anyone here me
If I scream will anyone hear
If I scream will anyone hear me
If I scream will anyone hear me at all

(Everybody wants somebody, everybody needs
somebody)

I heard that you got married in June
Guess you forgot to call
Maybe I'll move myself to the moon
Cause I can't stand this dead end wall
i know there's something out there
And I'm gonna find it all
And if i scream will anyone hear me
Outside of this dead end wall

If I scream will anyone here me
If I scream will anyone hear
If I scream will anyone hear me
If I scream will anyone hear

My mind's so bent on the physical
That my life is stereotypical
I want out but I won't give up now

If I scream will anyone here me
If I scream will anyone hear

If I scream will anyone here me
If I scream will anyone hear
If I scream will anyone hear me
If I scream will anyone hear me at all
