Twas just a garden in the rain  
Close to a little leafy lane  
A touch of Heaven  
Neath skies of gray

The raindrops  
Kissed the flowerbeds  
The blossoms raised  
Their thirsty heads

A perfumed thank you  
They seemed to say

Surely, here was charm  
Beyond compare to view  
Maybe it was just that  
I was there with you

Twas just a garden in the rain  
But then the sun came out again  
And sent us happily on our way  
And sent us happily on our way
