I don't want to be the one to  
Say I'm gonna miss you  
But I will, I will

I don't want to say I'm  
Gonna cry my eyes out, baby  
But I will, I will

I'm not ashamed for you to know  
How much I really loved you so  
Cause it was such a thrill

And just remember when you're gone  
There'll be that someone sad  
Who loves you still

You will look at him and  
See me smiling back at you  
I know you will, you will

And you will find yourself  
Repeating things we used to do  
I know you will, you will

Don't wonder if  
You want to come back  
Just come running home to me  
And let me feel the thrill

Cause I'm the one who told you  
I would love you, dear, forever  
And I will, I will

I will, I will  
I will, yes, I will

Oh, you will look at him and  
See me smiling back at you  
I just know you will, you will

And you will find yourself  
Repeating things we used to do

I know you will, you will

But don't wonder if  
You want to come back  
Just come running home to me  
And let me feel the thrill

Cause I'm the one who told you  
I would love you, dear, forever  
And I will, I will, I will
