When you found somebody new I thought
I never would forget you more that I thought I never
could

But times takin' all the pain away
Until now I'm down and hurting once a day

Once a day, all day long
And once at night from dusk till dawn
The only time I wish you weren't gone
Is once a day everyday all day long

I'm so glad I'm not like a friend I knew one time
He lost the one he loved and slowly lost his mind
He sat around and cried his life away
Lucky my I'm only crying once a day

Once a day all day long
And once at night from dusk till dawn
The only time I wish you weren't gone
Is once a day everyday all day long
Is once a day everyday all day long
