"Far Country"

She takes the rain,
And turns it to sun,
And my soul, she fills it.
Where once was a desert,
Rivers now run
And my storm, she stills it.
She takes the rain.

[chorus]

She breathes the air
From a far country.
This bond survives
Like a tall, tall tree.
I close my eyes
And how far I see....
She takes the rain.

She gives me hope
When there's nothing but pain.
I can't explain it.
Two different leaves,
But the branch is the same.
Forever, let it be....
She takes the rain.

[repeat chorus]

She takes the rain.

[repeat chorus]
