Breaking rocks in the hot sun
I fought the law and the law won
I fought the law and the law won

I needed money 'cause I had none
I fought the law and law won
I fought the law and the law won

I left my baby and I feel so bad
I guess my race is run
She's the best girl I've ever had

I fought the law and the law won
I fought the law and the law won

Robben people with six gun
I fought the law and the law won
I fought the law and the law won

I lost my girl and I lost my fun
I fought the law and the law won
I fought the law and the law won

I left my baby and I feel so bad
I guess my race is run
She's the best girl I've ever had

I fought the law and law won
I fought the law and the law won
I fought the law and law won
I fought the law and the law won

I fought the law and law won
I fought the law and the law won
I fought the law and law won
I fought the law and the law
