when you found somebody new i thought
i never would
forget you more that i thought i never could
but times takin all the pain away
until now im down and hurting once a day

once a day
all day long
and once at night
from dusk til dawn
the only time
i wish you werent gone
is once a day everyday all day long

im so glad im not like a friend i knew one time
he lost the one he loved
and slowly lost his mind
he sat around and cried his life away
lucky my im only crying once a day

once a day
all day long
and once at night
from dusk til dawn
the only time
i wish you werent gone
is once a day everyday all day long

is once a day everyday all day long
