Follow the light that glows through your bedroom  
window  
Tonight  
Tonight  
The fading twilight.  
There's a hollow deep in the woods where you know  
you're crazy  
To go  
To go  
Not even meant to know - there are

Pictures in the dark I see all around

Voices calling underground

And I'm watching the stars since the world was found.  
One  
Two  
Three -

Pictures in the dark I see - Morpheus comes to me.  
Pictures in the dark I see - Aurora sets you free.

And in the deepest dark you come to amazing  
The night  
The night  
The fading twilight.  
And you shiver the glistening path where you know  
you're crazy  
To go  
To go  
Not even meant to know - there are  
Pictures in the dark I see all around

...

These nights will never end - you can only fly in your  
dreams -  
Midnight will be your friend - drift away on starlight  
beams -  
Clocks are ticking the night away -  
You can only fly until the dawn ascends.

Pictures in the dark I see - Morpheus comes to me.  
Pictures in the dark I see - Aurora sets you free.  
The moon shines starlight beams  
And you'll be flying in your dreams.

Pictures in the dark I see - Morpheus comes to me. . . .  
Pictures in the dark I see - Morpheus comes to me.  
Pictures in the dark I see - Aurora sets you free.
