I comb I comb I comb my lover clean  
And I'm chewing and I'm breeding  
Scorn the scorn the scorn is for my sins  
And I'm fighting and I'm twisting  
Cold the cold the coldness in my steel  
And I'm cutting and I'm kissing  
God the god the god is for you filth  
And you're filthy

Confirm my inner sketch  
This one is for your art  
I love my precious guilt

Come on come on come on I want to go  
And I'm slitting and I'm cutting  
You in you in you I want to die  
And I'm dying

Confirm my inner sketch  
This one is for your art  
I love my precious guilt

Pauline I'll fade the paw  
Your brush is far too raw  
Your pen destroys it's light  
It's you that I must fight

The scar the scar the scar is yet to dry  
This last model for my distant  
Face my face my face is in your hands  
With my turnings and it's breaking  
You in you in you I gonna die  
I felt better but I'm kissing  
God your god your god is from my face  
In my distant in my distant you...

Confirm my inner sketch  
This one is for your art  
I love my precious guilt

Pauline I'll fade the paw  
Your brush is far too raw

Your pen destroys it's light  
It's you that I must fight

She painted a paw I expected a claw  
This dream will bring the colours back

Confirm my inner sketch  
This one is for your art  
I love my precious guilt

Pauline I'll fade the paw  
Your brush is far too raw  
Your pen destroys it's light  
It's you that I must fight
