Passion, Skin, Fire, Desire

When you look at me that way
There's nothing left to say
Am I getting through to you
D'you know what I want to do
You send shivers down my spine
Can't you guess what's on my mind
I want you so so much
I'm burning up with love

Feel my passion, feel my fire
Feel the heat from my desire
Feel the softness of my skin
Oh baby come on in
Take me now
Take me now
Make sweet love to me

Hey your kisses feel just right
It's you I want tonight
I'm trying to make you think
You are the only one for me
So let's waste no more time
Move your body close to mine
Baby don't you see
That you can fill this need in me

Reach out and touch the need in me
Reach out and fill the need in me

Passion, Skin, Fire, Desire

Feel my passion, feel my fire
Feel the heat from my desire
Feel the softness of my skin
Oh baby come on in
Take me now
Take me now
Make sweet love to me

Wanna kiss you all over, wanna eat you up

Wanna drink you wine, wanna drain your cup
Wanna take your love, take every little bit
Cause baby this is it

Feel my passion, feel my fire
Feel the heat from my desire
Feel the softness of my skin
Oh baby come on in

Feel my passion, feel my fire
Feel the heat from my desire
Feel the softness of my skin
Oh baby come on in

Passion, Skin, Fire, Desire
