I don't wanna make a scene
I don't wanna let you down.
Try to do my own thing
And I'm starting to figure it out

That it's alright
keep it together, where ever we go.
And its alright, oh well whatever
Everybody needs to know.

U might be crazy, have I told you lately?
That I love you, you're the only reason
That I'm not afraid to fly
And It's crazy, that someone could change me,
Now no matter what it is I have to do
I'm not afraid to try
And you need to know that you're the reason, why

I don't even care when they say you're a little bit off
Look 'em in the eye I'd say I can never get enough

Cuz it's alright
keep it together, where ever we go.
And its alright, oh well whatever
Everybody needs to know.

U might be crazy, have I told you lately?
That I love you, you're the only reason
That I'm not afraid to fly
And It's crazy, that someone could change me,
Now no matter what it is I have to do
I'm not afraid to try
And you need to know that you're the reason, why

If it was raining U would yell at the sun,
Pick up the pieces when the damage is done

U say it's just another day in the shade,
Look at what a mess we made

U might be crazy, have I told you lately?

That I love you, you're the only reason
That I'm not afraid to fly
And It's crazy, that someone could change me,
Now no matter what it is I have to do
I'm not afraid to try

U might be crazy, have I told you lately? (yeeeeeaaahhhh)
That I love you, you're the only reason
That I'm not afraid to fly (ahhhh)
And It's crazy, that someone could change me,
(yeeeeeaaahhh)
Now no matter what it is I have to do
I'm not afraid to try
And you need to know that you're the reason why
