Walking down the aisle  
The church is empty  
Kneeling down beside  
A barren pew  
Stained glass light is  
Covering the alter  
Although I'm all alone  
I'm here with you

And you shelter me  
You are my sanctuary  
And I will sing  
Only for you  
A concert for you

Longing to offer you  
The song of my soul  
Only for you  
A concert for you

Rising to my feet  
I feel you presence  
Moving me across the  
Wooden floor  
In these walls a sound  
Is growing stronger

Songs in my heart  
Have never been sung before  
And my spirit soars  
Outside this holy refuge  
The world is rushing by  
A stressful symphony of souls  
Out of tune and out of time

But in this peaceful hour  
My song has been renewed  
When my heart is set on worship  
And my audience is you
