Looking in the sky
I see the birds passing by
Do they follow you
Cause I'm willing to

Do whatever you want me to
So that I can see ya face to face
See ya face one day

Because
So far, So high
So high
You went bye bye
Bye bye
Just like a real life superman
You flew in the sky
Alone, not I
Because I realize

On a rainy day
I hear the notes hit the ground
As you start to play
A love song for me

Lord you make me smile
You know you do
And as you play
I'll sing for you

I like your style
You play so cool
Just like that
I feel brand new

I remember the first time you called me
In fall
But that's not all
In the springtime
You gave me life
Summertime
You warmed me with your love

And in the winter
Freezed my thoughts so it's you I'm thinkin' of

Because
(So far, So high)
So high
(You went bye bye)
Bye bye
Just like a real life superman
(You flew in the sky)
Alone and I
Because I realize

Your heart fits me
You're full in me
So I'll just wait until that special day
When you reappear
Up in the sky
Thank you Jesus
Where you and I will fly
Fly away (3 Times)
I wanna be where you are

Just take me in your embrace
To look upon your face
That day
(So far)
So high
(You went)
You went bye bye
(Just like Superman)
You flew in the sky

Because I realize

So far, so high
You went bye bye
Just like a real life superman
Alone not I
Because
I realize
So far
So far, so high
You went bye bye
Bye bye
Just like a real life superman
You flew in the sky
Alone not I
No I'm not alone
Because I realize

Your heart fits me
You're full in me
So I'll just wait until that special day
When you reappear
Up in the sky
Where you and I will fly

Fly away
Fly away
Take me there
You and me
You and me
Mmmmmmmmm...
You're my Superman
