Chorus

Farewell iÂ'll miss you
Never forget you
Someday weÂ'll meet again and
Farewell will be no more

Verse 1

Reaching the lost
No matter the cost
Is my hearts desire

Time soon will come
When all work is done
And iÂ'll have to say

Chorus

Verse 2

Now i hope you have learnd
That love canÂ't be earned
But shared amongst each other
In your hearts i will stay
Until that great day
When i shall return
But until then

Chorus

Bridge

Farewell for now my love
I have to go away
DonÂ't be afraid my love
iÂ'm near, iÂ'm always there

Chorus
