It's alright, it's alright  
It's alright, it's alright

Jesus made it alright  
It's alright, it's alright

### Verse 1

I thought that it would knock me down but  
Both feet are standing on the ground  
Sticky sticky glue got me stuck on you  
Can't nothing ever come between us

Can't nothing make me let you go  
Can't nothing never stop my flow...no, no., no  
This is how it's been all these years  
After the tears you stepped in and made it alright

### Chorus

I can't help but love you  
The way that you take care of me  
You stepped in and told me  
That i will be alright, alright

This heart it beats for you  
The way that you take care of me  
I'm so glad you made it, alright

### Verse 2

There he goes stepping over the junk  
There he goes blocking me from the bump...  
thump...thump  
If i should fall down you pick me up, up, up, up, up ooo  
You're the reason i'm alive,  
You're the reason i survived  
You're the reason ooo...ooo...ooo  
This is how it's been all these years  
After the tears you stepped in and made it alright

### Chorus

### Bridge

(rain) you've been my umbrella

(wind) a wall that would cover me  
(fire) you blow out the flame (you stepped in)  
(sickness) you've been my doctor  
(whatever) because of you love  
I know that it's alright  
It's alright yeah it's alright  
It's alright girl it's alright  
It's alright woman it's alright  
It's alright, it's alright

Chorus

Bridge

Chorus

Vamp  
Made it alright  
Darkness into the light  
Pressure off of my life  
He made it alright, alright

I'm free to be me  
To give him all the glory  
I'm happy as i can be  
(he made it) alright

Chorus
