Joyful, joyful lord we adore thee
God of glory lord of love
Hearts unfold like flowers before thee
Hail thee as the son above
Hail the clouds of sin and sadness
Drive the dark of doubt away
Giver of emmortal gladness
Fill us with the light
Fill us with the light
Oh, fill us with the light of day

Joyful, joyful lord we adore thee
And in my life i put none before thee
From my past to my cash you can know me
Yo man it's a blast if you show me
Straight up its real, the world don't control me
Something beyond the world has come on upon me
Try and shake it fast but his eyes stayed upon me
Yo mama preachers said, jesus will show me
You livin so clearly we gotta keep it boldly
You know yall feel me so just ?

You down with g o d
Yeah you know me

Who's down with g o d
Everybody

Come and join the chorus
The mighty mighty chorus
Which the mornging stars begun (?)
The father of love is waiting for us

By the way
What have you done for him lately
Oooo yeah
What have you done for him lately

He watches over everthing
So we sing

Chorus
