Chorus

Iâ€™ll cross the widest ocean
And iâ€™ll gladly find my way to you
Cause you mean the world to me
Without you what would i do
I cannot imagine life without you there
So can we promise to never separte

You and me yes you and me
Bound to see those troubles of life
I can survive as long as you are by my side
I cannot imagine life without you there
So can we promise to never separte

Verse 1

Time has turned you into my best friendd
How weâ€™ve gone through the thick and thin
So letâ€™s not turn back now
Only forever stay around

Love when you find it, it has a way
Of putting all the good in place
So if we fuss and fight
Just remember love is on our side

Vamp

Now if you should hear me say i quit
Donâ€™t let me walk away
If you should ever change your mind
I would die inside
So what ever happens letâ€™s make a promise
You and me together
And we will never ever, ever separate

Chorus

Verse 2

If we should ever cry letâ€™s make us laugh
Flying high above the worst and bad
Two is much better than one
Trusting that one of us will get it done

See we gone get it done
