Hook

Iâ€™m gon keep on trustinâ€™  
Gon keep on keeping on  
Iâ€™m gonna, iâ€™m gonna trust him  
Let go, act like itâ€™s alright  
Bring in some sunshine  
We gotta, we gotta trust him

Verse 1

Oh, take a minute sit down relax heâ€™s got cha back  
and  
Oh, when youâ€™re low thatâ€™s when heâ€™s close  
Can you feel the love  
Itâ€™s like taken a ride and you donâ€™t know  
Exactly where it might stop, where it might go  
Um, and itâ€™s moving so slow

Must be a reason must be a plan  
Wonâ€™t leave me stand ing here alone  
Wearing your name singing your praise  
Praying it wonâ€™t be long  
Whatever you choose to do iâ€™m never leaving you  
Your love is true and iâ€™m gonna trust you

Repeat hook

Verse 2

Oh, falling on my knees hoping that you please hurry  
Oh, can you touch me wonâ€™t you send me your clory  
If you donâ€™t do it, then it wonâ€™t be done  
Iâ€™m waiting right here not gonâ€™ give up  
Um, lord itâ€™s getting so close  
Closing my eyes hoping i find a wonderful surprise  
Lifting my hands knowing you can  
Turn everything around  
So whatever you do iâ€™m never leaving you  
Your love is true  
Iâ€™m just gonna trust you

Repeat hook

Bridge

They that trust in the lord won't ever, ever, be  
ashamed  
Oh, if you can let go and put your faith in his hand  
He's gonna show you exactly what's in his plan

Breakdown
