On a bright day she passed away in the morning.
It's a cruel way to take her with
with no warning.
He took her hand through every midnight hour
And then he saw her fading away like a spring shower.
I can see a complete life's time

Pictures and posters of times and fashion.
Nineteen years with no reason or rhyme

Taken away in a crime of passion.
He stood to see if he could catch her breathing

But it was no good he understood she was leaving.
He looked outside the frosty window pane
And then he saw her moving away
Elizabeth Jane.
I can see a complete life's time

...

I see freedom in sight it's a long climb
But she would not give up the fight for a long time.
And I see a light come shining in tonight

Baby
it's all right we couldn't have changed

It was second sight.
I can see a complete life's time

...

I see freedom light shining in tonight

I see freedom but she wouldn't give up the fight.
I see a light come shining in tonight
second sight.

Baby
it's all right we couldn't have changed
it was
I see a light come shining in tonight

...
