Crises, crises, you can't get away
Crises, crises, you can't get away
Crises, crises, I need you on my side
'Cause there's a crisis and you can't get away

Crises, crises, you can't get away
Crises, crises, you can't get away
Crises, crises, I need you on my side
'Cause there's a crisis and you can't get away

Crises, crises, you can't get away
Crises, crises, you can't get away
Crises, crises, I need you on my side
'Cause there's a crisis and you can't get away

Take a walk until the next dawn
In the winter, rain and storms

The watcher and the tower
Waiting hour by hour

There's a breach in the security
A disturbance in tranquility

The watcher and the tower
Waiting hour by hour

The watcher and the tower
Waiting hour by hour

The watcher and the tower
Waiting hour by hour

The watcher and the tower
Waiting hour by hour
