

## Mike Oldfield "Flying Start"

Visit "[Flying Start](#)" on MotoLyrics.com

We took a place in the sun  
To see just what had become  
The warm wind blows constantly

Does the answer still blow?  
Did you find your chateau  
In that Mediterranean fantasy?

Flying start made the whole world sing  
They had no choice  
Flying start like a shining pearl  
They sang in one voice

To where the sun always shines  
Familiar faces and wines  
The warm wind blows constantly

Knock on the door but the memory's poor  
Is there somebody in? Now answer me  
Two dark eyes from the doorway shine

So you lost your dream in a bottle of wine  
I knew you had to do it your way, fine  
But there's none to carry the cross this time

Flying start made the whole world sing  
They had no choice  
Flying start like a shining pearl  
They sang in one voice

On dusty roads and tracks  
Now it's the time to turn back  
The warm winds blow constantly

Riding that storm since the day you were born  
Is there somebody in? Now answer me  
Two dark eyes from the doorway shine

So you lost your dream in a bottle of wine  
I knew you had to do it your way, fine  
But there's none to carry the cross this time

Flying start made the whole world sing  
They had no choice  
Flying start like a shining pearl  
They sang in one voice

Flying start made the whole world sing  
They had no choice  
Flying start like a shining pearl  
They sang in one voice

Flying start made the whole world sing  
They had no choice  
Flying start like a shining pearl  
They sang in one voice

Flying start made the whole world sing  
They had no choice  
Flying start like a shining pearl  
They sang in one voice
