Harmony always, when I look around me
And your smile I see
I can feel it surround me
A miracle I find in your company

One glance is all that I need
What I was searching for, I've found it

Can you believe it, I'm walking on water
And I'm high off the ground
Must be some mystique that weaves it
I'd never have thought of this power I've found

One glance is all that I need
What I was searching for, I've found it
One look and now I believe
I could just wrap my whole self around it

Holy, to me just one glance is holy
One touch of your heart, to me that's holy
Holy, to me just one glance is holy
One touch of your heart, to me that's holy

You've seen it, walking on water
Miracles like you never seen before

You've seen it, walking on water
Miracles like you never seen before

Holy, to me just one glance is holy
One touch of your heart, to me that's holy
Holy, to me just one glance is holy
One touch of your heart, to me that's holy

Holy, to me just one glance is holy
Gimme just one touch of your heart, to me that's holy
Holy, holy, one glance is holy
Gimme just one touch of your heart, to me that's holy

Ooh, one glance is holy
One touch of your heart, to me that's holy
Holy, to me just one glance is holy

One touch of your heart, to me that's holy
