You're the one who's nearly breaking my heart  
Had your chance, you just threw it all away  
Living in a world that you could never be a part of  
And there's time to walk away

You can't stay, no, you can't stay  
You're no loser, there's still time to ride that train  
And you must be on your way tonight  
Think anew right through, you're a man in the rain

What's the use in hanging round these walls  
Lamps are burning, but nobody's at home  
There's a new day dawning as a cold rain falls  
And now's the time to walk alone

You can't stay, no, you can't stay  
You're no loser, there's still time to ride that train  
And you must be on your way tonight  
Think anew right through, you're a man in the rain

How's it feel when there's time to remember?  
Branches bare, like the trees in November

Ooh  
Had it all, threw it all away  
Ooh  
Now's the time to walk away

You can't stay, no, you can't stay  
You're no loser, there's still time to ride that train  
And you must be on your way tonight  
Think anew right through, you're a man in the rain

How's it feel when there's time to remember?  
Branches bare, like the trees in November  
How's it feel when there's time to remember?  
Branches bare, like the trees in November

You can't stay, no, you can't stay  
You're no loser, there's still time to ride that train  
And you must be on your way tonight  
Think anew right through, you're a man in the rain

Ooh  
Threw it all away, threw it all away  
Ooh  
And now's the time to walk away

You can't stay, no, you can't stay  
You're no loser, there's still time to ride that train  
And you must be on your way tonight  
Think anew right through, you're a man in the rain
