I know you're out there, Mr.Shame
I'm calling your name, Mr.Shame

There is no doubt
You need to find out
About the river
But there's no covered scheme
To help you find your dream
To the river

Down to the river
Is this all some cry for love?
It's a cry for love
Down to the river
Are you a victim of that money bug
In your blood?

Mr.Shame, get down to the river
Mr.Shame, I know you ache
Mr.Shame, so come down to the river
River of love, don't hesitate

There's no mean devise
Or key to paradise
To the river
It's no price you can pay
Help you find your way
To the river

Down to the river
Is this all some cry for love?
It's a cry for love
Down to the river
Don't tell me you're a victim of that money bug
In your blood

Mr.Shame, get down to the river
Mr.Shame, I know you ache
Mr.Shame, let's come down to the river
River of love, don't hesitate

Down to the river

Is this all some cry for love?
It's a cry for love
Down to the river
Don't tell me you're a victim of that money bug
In your blood

Mr.Shame, get down to the river
Mr.Shame, I know you ache
Mr.Shame, let's come down to the river
River of love, don't hesitate
(Mr.Shame)

Mr.Shame, get down to the river
Mr.Shame, I know you ache
Mr.Shame, so come down to the river
River of love, don't hesitate
(Mr.Shame)

Mr.Shame, get down to the river
Mr.Shame, I know you ache
Mr.Shame, get down to the river
River of love, don't hesitate
(Mr.Shame)

Mr.Shame, get down to the river
Mr.Shame, I know you ache
Mr.Shame, let's get down to the river
River of love, don't hesitate
(Mr.Shame)
