Follow the light that glows
Through your bedroom window
Tonight, tonight, the fading twilight

There's a hollow deep in the woods
Where you know you're crazy
To go, to go, not even meant to know

There are pictures in the dark, I see all around
Voices calling underground
And I'm watching the stars since the world was found
One, two, three

Pictures in the dark, I see
Morpheus comes to me
Pictures in the dark, I see
Aurora sets you free

And in the deepest dark
You come to a maze in
The night, the night, the fading twilight

And you shiver the glistening path
Where you know you're crazy
To go, to go, not even meant to know

There are pictures in the dark, I see all around
Voices calling underground
And I'm watching the stars since the world was found
One, two, three, lost in my dreams

This night will never end
You can only fly in your dreams
Midnight will be your friend

Drift away on starlight beams
Clocks are ticking the night away
You can only fly until dawn ascends

Pictures in the dark, I see
Morpheus comes to me
Pictures in the dark, I see

Aurora sets you free

The moon shines starlight beams
And you'll be flying in your dreams

Pictures in the dark, I see
Morpheus comes to me
Pictures in the dark, I see
Aurora sets you free

The moon shines starlight beams
And you'll be flying in your dreams

Pictures in the dark, I see
Morpheus comes to me
Pictures in the dark, I see
Aurora sets you free
