Good sister, won't you let me in?  
I'm in need of some warmth and shelter  
It's a hard luck story, don't know where to begin  
I've been riding on life's helter-skelter

Save me, Holy Mother, please, save me  
I got a heart of gold

And for your love I'd go hungry and thirsty  
I need a savior and you're the one  
I throw myself into the arms of mercy  
There's still hope for the runaway son

My good father, he say to me  
"Better come back to your senses  
There's an empty bottle lying on the floor  
And it's undermined your defenses"

Save me, Holy Mother, please, save me  
I got a heart of gold

And for your love I'd go hungry and thirsty  
I need a savior and you're the one  
I throw myself into the arms of mercy  
There's still hope for the runaway son

And for your love I'd go hungry and thirsty  
I need a savior and you're the one  
I throw myself into the arms of mercy  
There's still hope for the runaway son

Good brother, show me how to get home  
I've been walking in the backyard of Satan  
I'm so stubborn that I'll never give in  
But now my heart's cold and aching

Save me, Holy Mother, please, save me  
I got a heart of gold

And for your love I'd go hungry and thirsty  
I need a savior and you're the one  
I throw myself into the arms of mercy

Salvation for the runaway son

Save me, Holy Mother, please, save me  
I got a heart of gold

And for your love I'd go hungry and thirsty  
I need a savior and you're the one  
I throw myself into the arms of mercy  
There's still hope for the runaway son

And for your love I'd go hungry and thirsty  
I need a savior and you're the one  
I throw myself into the arms of mercy  
Salvation for the runaway son
