Have you seen the space in my eyes? Be warned.
Believe it.
Have you seen the fades in my skies? We can't
conceive it.

Surfing, like surfing. I'm looked and I'm searching. I've
fallen out right into the net!
Morning and evening, I'm flying and dreaming; oh,
can't keep it out of my head!

Surfing, like surfing. I'm looked and I'm searching. I've
fallen out right into the net!
Morning and evening, I'm flying and dreaming; oh,
can't keep it out of my head!

Have you seen the phantom in my dream? Be warned.
Believe it.
Have you seen the spaces in between? We can't
conceive it.

Surfing, like surfing. I'm looked and I'm searching. I've
fallen out right into the net!
Morning and evening, I'm flying and dreaming; oh,
can't keep it out of my head!

Surfing, like surfing. I'm looked and I'm searching. I've
fallen out right into the net!
Morning and evening, I'm flying and dreaming; oh,
can't keep it out of my head!

Surfing, like surfing. I'm looked and I'm searching. I've
fallen out right into the net!
Morning and evening, I'm flying and dreaming; oh,
can't keep it out of my head!

[Guitar Solo]

Surfing, like surfing. I'm looked and I'm searching. I've
fallen out right into the net!
Morning and evening, I'm flying and dreaming; oh,
can't keep it out of my head!

Surfing, like surfing. I'm looked and I'm searching. I've
fallen out right into the net!
Morning and evening, I'm flying and dreaming; oh,
can't keep it out of my head!

Surfing, like surfing.
Surfing, like surfing.
Surfing, like surfing.

Surfing, like surfing. I'm looked and I'm searching. I've
fallen out right into the net!
Morning and evening, I'm flying and dreaming; oh,
can't keep it out of my head!
