Hush now baby made a start  
Theres a jewel in your heart  
And a star that shines for you  
Watching everything you do  
Dont you cry though it may seem  
You were born into a dream  
Theres another race to run  
You were not the only one  
Standing in the morning sun  
Waiting though it had begun  
May you never run aground  
Or call into the deep deep sound  
Stormy weather turns to blue  
Heres a song to take with you
