My friends asked me what I saw in you  
Yes you are beautiful, they agree too  
They say that you are not my type  
But I tell them to stop all their gripe

Day has turned into night  
and still you're not here, nowhere in sight  
As I pull out the picture of you in a frame  
I look at it, and know I am not to blame

You are as beautiful as they come  
No need for me to play all dumb

I run my fingers down your face in the picture  
And in my mind your image begin to stir

No, it's not the way you walk  
and it's not the way you talk  
It's not the way you look  
But for some reason, you have gotten me hooked

I was walking down the street the next day  
When I saw you close by; I didn't know what to say  
I didn't want to act like a fool  
But that's exactly how you make me feel around you  
A fool who has fallen for you  
Baby, it's true, it's true

A smile and a wave was all it took  
For me to read you like a book  
I finally realized....  
It is the way you walk  
And it is the way you talk  
Definitely, it is the way you look  
And I knew why you have gotten me hooked

I just wanted you to know  
From your head to your toe  
I love everything about you  
One look at you, everyone would start to drool  
But I wanted you to know, no matter what happens to

you  
My love will always stay true

So it is the way you walk  
And it is the way you talk  
It is the way you look  
Those are the reasons why you have gotten me hooked

I love you for who you are  
To me, you are my only star  
I love everything about you  
And let me reassure you, it's true, it's true
