Hm how are you feelin people ?
Is your life the same ?
It's time to forget our names
And unchain our souls !
Evening has come
And the lights are down
Come on now there's nothing wrong
So enjoy the sound !
(Enjoy the sound)

You've been trying to look at the sun
But it somehow made you blind
But tonight Babe , the Earth tonight
Is on the right side
Sometimes evidence's before your eyes :
Look at daylight stealing stars ,
And tonight Babes look at the night ,
It's on the right side !

Morning will come again ,
Honey that's for sure ,
But have you ever , ever , ever thought
It couldn't be so ?
I feel a part of it ,
This surrounding world !
Does anybody cares ,
If it ends tomorrow ??

If it ends tomorrow...

You've been trying to look at the sun
But it somehow made you blind
But tonight Babe , the Earth tonight
Is on the right side
Sometimes evidence's before your eyes :
Look at daylight stealing stars ,
And tonight Babes look at the night ,
It's on the right side !

I'm still awake , can't sleep or dream ,
There's nothing I want now ...
It all was here , I couldn't see ,

It made you blind .
I'm still awake , can't sleep or dream ,
There's nothing I want now ...
It all was here , I couldn't see ,
It made you blind
I'm still awake , can't sleep or dream ,
There's nothing I want now ...
It all was here , I couldn't see ,
It made you blind
I'm still awake , can't sleep or dream ,
There's nothing I want now ...
It all was here , I couldn't see ,
It made you blind

But it's all ok babe
It's all good ,
It's all good ,
The sun is blind
