I know a man , we know his wife
I call here babe , he knows Papa .
We like to hang out from time to time
And man , the shuttlecock , she likes that ...
It fills her with elation ,
Until the final temptation oh ,
No net between the girl and I
Or fucking fence , to ruin the night

Just like badminton ...
While he plays badminton ,
He plays badminton Oh ,
Just like badminton ...

I know a game where no one loose
Pleasure or pleasure : you don't need to chose ,
A tournament with a single rule :
Be kind and gentle , don't be cruel .
So she is lying lying lying down ,
She's lying to her husband
