You say you wanna know
And find out the reason
Why the sun must fall
And then rise again
You say you wanna feel
And experience the truth
But the world is in you

I am the beat inside
I'm pure and loud
I am the answer to why
I am every smile ,
Every single sight
I am the life stream within

I don't feel sorry for you mate
You're far beyond the line
No pity and no hate
For those who try
To stab me in the back
But now you've got no teeth
To lie through
So here's your coca?n and crack ,
The needle and the filth
Are in you ...

I am the beat inside
I'm pure and loud
I am the answer to why
I am every smile ,
Every single sight
I am the life stream within

The reason inside
The reason inside
The reason inside
The reason inside

I am the beat inside
I'm pure and loud
I am the answer to why
I am every smile ,

Every single sight
I am the life stream within
