Stop. Slow down. Take a deep breath. (ooh, yeah, oh)
Stop. Slow down. Take a deep breath. (na, na, na, na)
Oh, oh. Oh.

I look at you and I know you're trouble.
I should run just fast as I can. (yeah)
One smile, game over.
Here in front of you I stand. (here in front of you I stand)
I know you're only gonna burst my bubble.
Trouble is my heart don't care.
It's ignoring all the danger signs.
Stop. Slow down. Take a deep breath. Beware.

I'm not willing to be so fearless, careless just yet.
(once bitten, twice shy) is what you get. (what you get, get, get)

My heart's got a mind of it's own.
Won't listen to a word I say.
Doesn't it know that I get hurt, too
When it acts that way?
'Cause when it breaks I break.
I don't know how much more of this I can take.
Doesn't it know that I get hurt, too
When it acts that way?

Too many times I've witnessed
My heart make a fool of itself.
So sure it's gonna turn out one way.
Always turns out being somethin' else. (eh, eh)
My heart's got a real malfunction;
Always flipping into over ride. (yeah)
When I tell it to be sensible,
Ooh, it over rules my cynical mind.

I'm not willing to be so open, transparent, no not yet.
(once bitten, twice shy) is what you get.
(but here in front of you, there's nothing I can do)

My heart's got a mind of it's own.
Won't listen to a word I say.

Doesn't it know that I get hurt, too
When it acts that way?
'Cause when it breaks I break.
I don't know how much more of this I can take.
Doesn't it know that I get hurt, too
When it acts that way?

My heart's got a mind of it's own.
Won't listen to a word I say. (I say)
Doesn't it know that I get hurt, too (get hurt, too)
When it acts that way? (when it acts that way)
'Cause when it breaks I break
I don't know how much more of this I can take.
(I don't know how much more of this I can take)
Doesn't it know that I get hurt, too
When it acts that way?

Stop (stop). Slow down. Take a deep breath.
Think about what I'm doing.
Think about once bitten, twice shy.
Stop. Slow down (slow down, down). Take a second.
Before you rush right in, (rush right in)
It's gonna be my tears you cry.

My heart's got a mind of it's own. (of it's own)
Won't listen to a word I say.
Doesn't it know that I get hurt, too (get hurt, too)
When it acts that way? (when it acts that way)
'Cause When it breaks I break. (I break)
I don't know how much more of this I can take.
(more of this I can take)
Doesn't it know that I get hurt, too (get hurt, too)
When it acts that way? (when it acts that way)

My heart's got a mind of it's own. (a mind of it's own)
Won't listen to a word I say.
Doesn't it know that I get hurt, too
(doesn't it know that I get hurt, too)
When it acts that way? (when it acts that way)
'Cause when it breaks I break. ('cause when it breaks I
break)
I don't know how much more of this I can take.
(more of this I can take)
Doesn't it know that I get hurt, too (that I get hurt, too)
When it acts that way? (when it acts that way)

(my heart's got a mind of it's own)
I look at you and I know you're trouble.
I should run just fast as I can.
One smile, game over.
Here in front of you I stand.

(my heart's got a mind of it's own)
I know you're only gonna burst my bubble.
Trouble is my heart don't care.
(but here in front of you, there's nothing that I can do)
Stop. Slow down. Take a deep breath. Beware.

My heart's got a mind of it's own.
(a mind of it's own)
Na, na, na, na.
When it acts that way. (yeah)
(my heart's got a mind of it's own)
