Verse 1

Close your eyes, baby count to three, and tell me now,
Did you think of him, like it used to be, it ain't no
surprise,
Cos he's out of love, and he's out of luck, getting lazy
now,
With that attitude, I've had enough, and it won't be the
first time,

Bridge

Remember the lies you denied cos you said so, yeah
what got into you?
Remember the love you discovered that he'd shown,
Mmm what's he trying to prove?
Remember the pay every day that he let go, look what
he's done to you,
And he still he wanted you to run around him girl.

Chorus

No it shouldn't be like that, not fooling me,
Damn his love and damn his lies, they're buggin' me,
No it shouldn't be like that, he's trying to be,
Trippin' out like all the guys, why can't you see?

Verse 2

It's 3am, and he still ain't home, out with his friends,
Guess you could have thought, guess you should have
known, that he ain't coming
Back,
Girl he's out of line, and he's out of time, cos I'm telling
you,
Gotta take him on, and show your mind, and it won't be
the last time.

Middle 8

So put away your money, she don't wanna know,
It's too late to say you're sorry, she don't wanna know
She's leaving don't you worry, boy let it go,
Had your chance make no advance to take it, and I told
you so.

Outro

Girl I'm saying, that his love and his lies, keep you
waiting
Now he's paying, cos you're no longer his for the taking
