You could give me diamonds  
You could give me pearls  
Give me all the fast cars  
In the World  
But there is only one thing  
And it's bigger than the sea  
The only thing that matters  
Is what you've given me

Chorus

When I see the bright lights in your eyes  
Feel like a bird that's just learned to fly  
From now until the end of time  
I'm glad you came into my life  
My gift sent from above  
Unconditional love

You take me as I am  
Not who I'm dressed up to be  
Looking at you tells me  
The best things in life are free  
You're the blessing that I treasure  
With a heart so true  
Noone ever touched me  
The way that you do

Chorus

With your innocence you opened up my heart  
I knew that I would love you right from the very start  
You turned my life around showed me a better way  
Thoughts of you will always make me have a brighter  
day  
When I'm by your side it helps to see me through  
Can't express all the happiness when I'm with you  
A gift from up above the one I'm dreaming of  
I'll always cherish you my unconditional love

When I see the bright lights in your eyes  
Feel like a bird that's just learned to fly  
From now until the end of time  
I'm glad you came into my life
