Something's missing and I don't know why  
I always feel the need to hide my feelings from you  
Is it me or you that I'm afraid of  
I tell myself I'll show you what I'm made of  
Can't bring myself to let you go

Don't want to cause you any pain  
But I love you just the same  
And you'll always be my baby  
In my heart I know we've come apart  
And I don't know where to start  
What can I do, I don't wanna feel blue

Bad girl drunk by six  
Kissing someone else's lips  
Smoked too many cigarettes today  
I'm not happy when I act this way

Bad girl drunk by six  
Kissing some kind stranger's lips  
Smoked too many cigarettes today  
I'm not happy, I'm not happy

Something's happened and I can't go back  
I fall apart every time you hand your heart out to me  
What happens now, I know I don't deserve you  
I wonder how I'm ever gonna hurt you  
Can't bring myself to let you go

I don't want to cause you any pain  
But I love you just the same  
And you'll always be my baby  
In my heart I know we've come apart  
And I don't know where to start

What can I do, I don't wanna feel blue

Bad girl drunk by six  
Kissing someone else's lips  
Smoked too many cigarettes today  
I'm not happy when I act this way

Bad girl drunk by six  
Kissing some kind stranger's lips  
Smoked too many cigarettes today  
I'm not happy, I'm not happy

This way

I don't want to cause you any pain  
But I love you just the same  
And you'll always be my baby  
In my heart I know we've come apart  
And I don't know where to start  
What can I do, I don't wanna feel blue

Bad girl drunk by six  
Kissing someone else's lips  
Smoked too many cigarettes today  
I'm not happy when I act this way

I'm not happy this way

Bad girl drunk by six  
Kissing someone else's lips  
Smoked too many cigarettes today  
I'm not happy when I act this way

Bad girl drunk by six  
Kissing some kind stranger's lips  
Smoked too many cigarettes today  
I'm not happy, I'm not happy

This way

I'm not happy this way  
Kissing some kind stranger's lips
