Love is such a precious gift
One thing in my life I know is true
And I owe you
Deeper than the ocean, babe
You touch me like no one could ever do
I owe you

And I never could repay that look that's in your eyes
I could save up all my kisses till the end of the time
All my love in my life till it's through
I owe you (I.O.U.)

Love is such a precious gift
The currency of life, I never knew
And I owe you
I'll keep it for eternity
The vow I made the day I said "I do" (I do)
I owe you

And I never could repay that look that's in your eyes
So to pledge myself to you would be no sacrifice
All my love in my life till it's through
I owe you (I.O.U.)

You lay me down on hallowed ground with one touch of
your hand

Hold me like a baby that's when suddenly I understand
All that you do, I owe it to you

All my love in my life till it's through (I owe you)
All my love in my life till it's through (I owe you)
(I.O.U.)

All my love in my life till it's through (I owe you)
And I never could repay that look that's in your eyes
I could save up all my kisses till the end of the time
So to pledge myself to you would be no sacrifice
All my love in my life till it's through
I owe you

Baby, baby I owe you

One thing that I know is true (yes, I do)
Baby, baby I owe you
I owe you, I owe you

All my love in my life till it's through
I owe you (I.O.U.)
