Ooh-ooh baby  
Hey, oh-whoa baby  
I'm not such an innocent girl

First impressions can be wrong  
So let me clear what's going on  
Baby I'm not who you think I am  
I need to feel some lips on mine  
So pulling you across the line  
You think I'm the fragile one  
One slip, the damage done

I'm not made of china  
I'm not made of glass  
Would it shatter your illusions if this angel had a past

Chorus:  
If you touch me I won't break  
Don't think of me that way  
I'm not such an innocent girl  
Don't wrap me up in cotton wool  
Upon a pedestal  
I'm not such an innocent girl

I've got a secret rose tattoo  
I'm dying just to show you  
I'm not as shy as you think I am, oh baby  
It's time to take off those kid gloves  
T.K.O me fall in love  
Don't be scared you'll break my heart  
Not gonna fall apart

I'm not made of china (ooh)  
I'm not made of glass  
Would it shatter your illusions if this angel had a past

Chorus

If you touch, if you touch me I, if you touch me I won't  
break  
If you touch, if you touch me I, if you touch me I won't

Chorus

If you touch me I won't break  
I won't break, don't think of me that way  
Not such an innocent girl  
Don't wrap me up (no-oh-whoa)  
I'm not such an innocent girl

Chorus

If you touch me I won't break  
No I won't fall apart  
Don't think of me that way  
No you won't break my heart
