Come on, yeah

Close your eyes, baby count to three  
And tell me now  
Did you think of him, like it used to be  
It ain't no surprise  
Cos he's out of love, and he's out of luck  
Getting lazy now  
With that attitude, I've had enough  
And it won't be the first time

Remember the lies you denied cos you said so?  
Yeah what got into you?  
Remember the love you discovered that he'd shown?  
Mmm, what's he trying to prove?  
Remember the pay every day that he let go?  
Look what he's done to you  
And he still he wanted you to run around him girl

No is shouldn't be like that, not fooling me  
Damn his lovin' damn his lies, they're buggin' me  
No it shouldn't be like that, he's trying to be  
Trippin' out like all the guys, why can't you see?

It's 3am, and he still ain't home  
Out with his friends  
Guess you could have thought, guess you should have  
known  
That he ain't coming back  
Girl he's out of line, and he's out of time  
Cos I'm telling you  
Gotta take him on, and show your mind  
And it won't be the last time

Remember the lies you denied cos you said so?  
Yeah what got into you?  
Remember the love you discovered that he'd shown?  
Mmm, what's he trying to prove?  
Remember the pay every day that he let go?  
Look what he's done to you  
And he still he wanted you to run around him girl

No is shouldn't be like that, not fooling me

Damn his lovin' damn his lies, they're buggin' me  
No it shouldn't be like that, he's trying to be  
Trippin' out like all the guys, why can't you see?

So put away your money (she don't wanna know)  
It's too late to say your sorry (she don't wanna know)  
She's leaving don't you worry (boy let it go)  
Had your chance but no advance to take it, and I told  
you so

Remember the lies you denied cos you said so?  
Yeah what got into you?  
Remember the love you discovered that he'd shown?  
Mmm, what's he trying to prove?  
Remember the pay every day that he let go?  
Look what he's done to you  
And he still he wanted you to run around him girl

No is shouldn't be like that, not fooling me  
Damn his lovin' damn his lies, they're buggin' me  
No it shouldn't be like that, he's trying to be  
Trippin' out like all the guys, why can't you see?

Girl I'm saying  
That his love and his lies, keep you waiting  
Now he's paying  
Cos you're no longer his for the taking

No is shouldn't be like that, not fooling me  
(Girl I'm saying)  
Damn his lovin' damn his lies, they're buggin' me  
(That his love and his lies, keep you waiting)  
No it shouldn't be like that, he's trying to be  
(Now he's paying)  
Trippin' out like all the guys, why can't you see?  
(Cos you're no longer his for the taking)
