Time, I've been passing time
Watching trains go by
All of my life lying on the sand
Watching seabirds fly

Wishing there would be
Someone waiting home for me

Something's telling me it might be you
It's telling me it might be you
All of my life

Looking back as lovers go walking past
All of my life
Wondering how they met
And what makes it last

If I found the place
Would I recognize the face?

Something's telling me it might be you
It's telling me it might be you

So many quiet walks to take
So many dreams to wake
And we've so much love to make

I think we're gonna need some time
Maybe all we need is time
And it's telling me it might be you
All of my life

I've been saving love songs and lullabies
And there's so much more
No one's ever heard before

Something's telling me it might be you
Yeah, it's telling me it must be you
And I'm feeling it'll just be you
All of my life

It's you, it's you

I've been waiting for all of my life
It's you, it's you
I've been waiting for all of my life
