Monday,  
Well baby I fell for you

Tuesday  
I wrote you this song

Wednesday  
I wait outside your door,  
Even though I know its wrong

7 days a week  
Every hour of the month  
Gotta let you  
Know where my heart  
Is commin' from

I shouldn't feel this way,  
But I gotta say  
Baby I gotta let you now

I will try  
Everything,  
To make you come  
Closer to me

And baby do you believe  
That it's not just a phase

How can I get it through  
To tell you  
What I can't lose

I will try 365 days,  
365 ways to get to you

Yeah, to get to  
You, you, you, you  
Baby

Every second  
Every tick tick of the clock(Every second)

I want you all to myself (all to myself)

Every second  
Every tick tick of the clock

I just can't  
Help myself,  
Feeling kinda guilty  
but girl i cant stop

I don't want  
Nobody else,  
No one else,  
No one else!

I will try  
Everything,  
To make you come  
Closer to me

I'll try 365 days!  
365 ways to get to you
