you know i flaunt ya cause girl i really want ya looking
nice got me cooler than a bag of ice now freeze freeze
freeze now go drive it fast and move it real slow hoe
what you smell so fruity im a pirate and yo my booty so
move it in real close and let me have my daily dose (
gasp) girl ive been thinking bout you thinking bout me
watch a thinking bout it 5 fingaz to the face 5 fingaz to
the face 5 fingaz to the face 5 fingaz to the face i love
lotchina vanessa and gorgina its a ladies choise so
imma make sure i make some noise and now were
sweating got my turbo engine revving the stop and
stare all my haters think its just not fair that im 6 foot 1
and im tons of fun time to put this club in gear so fellas
grab a cup my ladies you know whasup yeah put your
hands in the sky if your feeling fly and tell me that you
what cuz im the man in charge and you know im living
large i got a big white house a fancy yacht and a
garage full of classic cars what are you talking bout
boy oh calm down i know you dont think you can come
up in here and buy me? oh calm down you know what i
got for you 5 fingaz to the face 5 fingaz to the face 5
fingaz to the face 5 fingaz to the face
