I feel delirious, come let's get out of here
We're so anonymous but it's all coming clear

And we're heading for the sky
And we'll get lost in it 'cause
All I want, all I want, all I want is everything

And I will pose if I wanna
And will vogue like Madonna
I might not dance like MJ R.I.P

But I will give the best of me
All I want is everything
Yes everything to much is not enough

I'm sick of settling for in between
And I'm not givin' up
As long as it feels right
At least we know that we're alive

All I want is everything, yes everything, yeah

We don't ever stop
Let's watch the sun come up
We'll sleep when we're dead 'cause
Halfway kinda sucks

We're heading for the sky
And will get lost in it 'cause
All I want, all I want, all I want is everything

And I will pose if I wanna
And I will vogue like Madonna
I might not dance like MJ R.I.P

But I will give the best of me
All I want is everything,
Yes everything to much is not enough

I'm sick of settling for in between
And I'm not givin' up
As long as it feels right

At least we know that we're alive

All I want is everything
Yes everything, yeah

Hold on to me
And I'll hold on to you
Don't over think
What have we got to lose?
It's me and you,
Me and you no matter what

We're heading for the sky
And we'll get lost in it 'cause
All I want, all I want, all I want is everything

And I will pose if I wanna
And I will vogue like Madonna
I might not dance like MJ R.I.P

But I will give the best of me
All I want is everything
Yes everything to much is not enough

I'm sick of settling for in between
And I'm not givin' up
As long as it feels right at least we know
We're alive

All I want is everything
Yes everything
